FOR FIELD-SERVICE TEAMS

Stop losing jobs to missed calls.

Brightline answers every call, books the job into your calendar and texts the customer a confirmation, 24 hours a day.

27%
of calls to trade businesses go unanswered during working hours.

$1,200
average value of a missed HVAC or plumbing job.

62%
of callers phone a competitor instead of leaving voicemail.

Illustrative figures for this sample. Use your own sourced numbers.

HOW BRIGHTLINE WORKS

1 · Answers
A trained voice agent picks up on the second ring, in your company's name.

2 · Books
Checks your calendar, quotes your call-out fee and books the slot.

3 · Confirms
Texts the customer, adds the job to your app and alerts the tech.

WHAT YOU GET

- 24/7 answering with your scripts and prices
- Calendar sync: Google, Outlook, Jobber, ServiceTitan
- Emergency routing to the on-call tech
- Weekly report: calls, bookings, revenue saved
- Live in 48 hours, no new phone number needed

PRICING

$249/month

Up to 400 calls. No setup fee. Cancel any month.

> *"We booked 31 jobs in the first month that would have gone to voicemail. It paid for itself in week one."*
>
> Owner, three-van plumbing company, Ohio (fictional example)
